**Taster Day – Friday 27th January 2017**

Students that apply to the Heart of England Sixth Form by the deadline are entitled to attend a Taster Day. This is an opportunity to see what the subjects they are considering for A-Level are actually like when studied. As a result there is the possibility to 'taste' 5 subjects. They will also be attached to a Tutor Group. As 'Sixth Formers' they will not be required to wear uniform but they must remain on site all day.

We will arrange for a timetable to be sent in advance so that they can meet our expectations and come prepared for learning. Some teachers may ask you to submit work in later that week.

This is an excellent opportunity for you to try subjects you might consider to study at A-Level. We will try to accommodate you for all five subjects but if we are unable to do this due to timetable constraints we will place you in a study session.

Please complete the section below indicating the subjects you wish to try on taster day :
